### 1. Aims

This policy aims to:

- Explain how to apply for a place at Millfield LEAD Academy
- Set out the academy's arrangements for allocating places to the pupils who apply
- Explain how to appeal against a decision not to offer your child a place

### 2. Legislation and statutory requirements

This policy is based on the following statutory guidance from the Department for Education (DfE):

- [School Admissions Code 2021](#)
- [School Admission Appeals Code](#)

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

This policy complies with our funding agreement and articles of association.

### 3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

**Looked-after children** are children who, at the time of making an application to a school, are:

- In the care of a local authority, or
- Being provided with accommodation by a local authority in exercise of its social services functions

**Previously looked-after children** are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order

This includes children who appear to have been in state care outside of England and have ceased to be in state care due to being adopted.

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

**Social and medical need** are children who have a serious medical condition, which can be supported by medical evidence, significant caring responsibilities, which can be supported by a social worker or where one or both parents or the child has a disability that may make travel to another school more difficult, which can be supported by medical evidence.

**Siblings** include step siblings, foster siblings, adopted siblings and other children living permanently at the same address.

## 4. How to apply

For applications in the normal admissions round you should use the application form provided by Leicestershire local authority. You can use this form to express your preference for 5 schools/academies, in rank order.

You will receive an offer for a school place directly from your local authority.

Please note, pupils already attending our nursery will not transfer automatically into the academy. A separate application must be made for a place in reception.

The local authority's admissions webpage can be accessed by [CLICKING HERE](#)

## 5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the academy but it is not in their preferred age group.

## 6. Allocation of places

### 6.1 Admission number

The academy has an agreed admission number of 60 pupils for entry in reception.

Late applications and requests for changes to list of preferences will be dealt with as follows:

Received after 15th January closing date but on or before 31st January.

When Leicestershire LA considers applications that are received late for a good reason it may be possible in exceptional circumstances to accept the application as on time, e.g. when a single parent has been hospitalised, or a family are returning from abroad, supported by documentary evidence of the reason for lateness which must be provided with the late application.

Late applications (received after 15th January but by 31st January) for Leicestershire schools will be processed once all on time applications have been processed and we will aim to issue a decision on National Offer date.

## **6.2 Oversubscription criteria**

All children whose education, health and care (EHC) plans name the academy will be admitted before any other places are allocated.

If the academy is not oversubscribed, all applicants will be offered a place.

In the event that the academy receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order listed, until all places are filled.

Looked-after children and all previously looked-after children

1. Looked-after children and all previously looked-after children (see section 3 for definition)
2. Places will then be allocated to pupils who, at the closing date for applications, are resident within the catchment area, whose parents have requested a place at the academy and who, at the time of admission, will have a brother or sister attending the academy. (see section 3 for definition)
3. Places will then be allocated to other pupils who, at the closing date for applications, are resident within the catchment area and whose parents have requested a place at the academy.
4. Places will then be allocated to pupils who are resident outside the catchment area, whose parents have requested a place at the academy and who, at the time of admission, will have a brother or sister attending the academy.
5. Places will then be allocated to other pupils who are resident outside the catchment area of the academy, whose parents have requested a place at the academy.
6. Distance Measurement: the measurement of distance of up to 3 decimal places will be in a straight line from the centre point of the home property (deemed to be where the child is resident for the majority of nights in a normal academy week) to the academy's main designated front gate on Hat Road, using a computerised geocoded mapping system.

## **6.3 Tie break**

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the academy will use random allocation as a tie breaker to decide between applicants. This process will be independently verified.

## **6.4 Children below compulsory school age**

Where children below compulsory school age are offered a place at the academy, they will be entitled to attend the academy full-time in the September following their fourth birthday.

Parents may defer their child's entry to the academy until later in the school year but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year the offer was made for.

Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

## 6.5 Challenging behaviour

We will not refuse to admit a child on behavioural grounds in the normal admissions round or at any point in the normal year of entry, except for where paragraph 3.8 applies.

Where an in-year application is received for a year group that is not the normal point of entry and our academy does not wish to admit the child because it has good reason to believe that the child may display challenging behaviour, admission may be refused. In this case, we will use the Fair Access Protocol to refer the child to the Fair Access team. We will not refuse admission on these grounds to looked-after children, previously looked-after children and children with EHC plans listing the academy.

## 6.6 Fair Access Protocol

We participate in Leicestershire's Fair Access Protocol. This helps ensure that all children, including those who are unplaced and vulnerable, or having difficulty in securing a school place in-year, get access to a school place as quickly as possible.

## 7. In-year admissions

Parents can apply for a place for their child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose EHC plans name the academy will be admitted.

Likewise, if there are spaces available in the year group you are applying for, your child will be offered a place.

If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available, it will be filled by 1 of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.2 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

Applications for in-year admissions should be submitted via Leicestershire County Council's application form. <https://www.leicestershire.gov.uk/popular-now/apply-for-a-primary-school-place>

Parents will be notified of the outcome of their in-year application in writing within 15 school days.

## 8. Appeals

If your child's application for a place at the academy is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must follow the local authority's appeal process:

<https://www.leicestershire.gov.uk/education-and-children/schools-colleges-and-academies/apply-for-a-school-place/appealing-a-school-place-decision>

You can find details of the academy's appeals timetable below:

## **9. Monitoring arrangements**

This policy will be reviewed and approved by the governing body every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes. If nothing changes, it will publicly consult on the academy's admission arrangements at least once every 7 years.
