Millfield LEAD Academy

After School Clubs Offer 2026-2027

What is enhanced provision?

Enhanced provision is Millfield's extra-curricular offer. This programme of enrichment offers children the opportunity to develop skills beyond the school curriculum.

What kind of things will be available to my child?

We have carefully considered the breadth of provision on offer to cover a range of areas including art, Sport, STEM, wellbeing and humanities. These clubs will run for a 6 week block (which may cross over a holiday period) to ensure an equal offer is available. You may notice that there is more clubs for KS2 children – this is simply because there are more classes at KS2 than at KS1.

All clubs will run straight after school for an hour. Children will need collecting from the main school car park/reception area (please wait outside as the reception area is used to dismiss the children from).

Who will be running the sessions?

A number of sessions will be run by external providers. A number of sessions will be run by school staff, who will be giving their time to offer children this enrichment after school.

When are the blocks?

Each block is for a 6 week period. The dates for each block are shown below.

Block 1	7/9/26 – 16/10/26
Block 2	26/10/26 – 4/12/26
Block 3	7/12/26 – 29/1/27
Block 4	1/2/27 – 19/3/27
Block 5	5/4/27 – 14/5/27
Block 6	17/5/27 – 2/7/27

Why is there a charge for all clubs?

Due to the high quality of external providers, all clubs require a charge to ensure these can be offered to all children. Staff run clubs are also subject to a charge, to ensure high quality resources can be purchased to support the offer. Academy staff do not receive any of this money themselves, it is all used to fund the clubs for the benefit of the pupils.

Why do children need to commit to a full block?

We have deliberately planned for blocks of 6 weeks. This gives children the opportunity to get really involved in the club rather than just 'having a go'. Just like clubs children may attend in an evening or at a weekend, the more they commit to it the more successful they will become.

How do I book?

Bookings for the blocks will be released 2 weeks before that block's start date. A link will be emailed via the school communication system. Once a place has been reserved payment is due. If no payment is received 1 week prior to the club start date, the place will be released.

A waiting list will be held for any oversubscribed clubs. Clubs must have a minimum number of participants to run (approx. 7)

We are aware that some families may benefit from being aware that a block's payment will be needed, in advance of a booking opening, so we have chosen to share this booklet with you in advance. We hope this will help families plan what club(s) children may wish to book onto.

Block 1	Block 2	Block 3	Block 4	Block 5	Block 6
Cooking (KS2)	Craft Club (KS1)	Cooking (KS2)	Games Club (KS2)	Spanish Club (KS2)	Performing Arts Club (Years 5/6)
Forest Fun (KS1)	Spanish Club (KS2)	Debate (Years 5/6)	Art/Sculpture (KS2)	Science Club (KS1)	Sports Club (KS1)
Science (Years 3/4)	Computing Club (KS1/2)	Computing Club – Coding and Photo Editing (KS1/2)	Sports Club (KS1)	Clay Club (KS2)	Sports Club (KS2)
Bhangra (KS1/2)	Sports Club (KS1)	Sports Club (KS1)	Sports Club (KS2)	Sports Club (KS1)	Sports Club (EYFS)
Craft Club (Years 3/4)	Sports Club (KS2)	Sports Club (KS2)		Sports Club (KS2)	
Debate Club (Years 5 /6)					
Sports Club (KS1)					
Sports Club (KS2)					

The clubs are coloured coded into themes:

STEM (Science, Technology & Maths)	The Arts	Sports	Wellbeing / Outdoor Learning	The Humanities
------------------------------------	----------	--------	------------------------------	----------------

In addition to the above, Year 6 booster clubs will operate after February half term and the KS2 SATs week.

Choir will take place during lunchtimes and Mrs Joyce will speak to KS2 children directly about this opportunity.

Mr Scott will continue to select children to represent the school in a wide range of competitive sports. This will be based on their ability and performance in their PE lessons.

BLOCK 1: 7/9/26 – 16/10/26

KS2 Cooking	
What This club will start on Thursday 17 th September and be for 5 weeks due to staff being on the residential visit	This is an exciting opportunity for children to enhance their basic skills in culinary practices through the creation of various delicious recipes. Each week, the children will further their understanding of food safety and hygiene whilst developing a fantastic life skill that will see them bring home some tasty treats for everyone to try. All dietary needs will be catered for. PLACES WILL BE OFFERED TO THOSE WHO HAVE NOT ATTENDED THIS CLUB IN 2024 – 2025 or 2025-2026. If your child attended in either of the last 2 academic years please DO NOT book a place on this club so that more children can take part in the experience.
How many?	15 children
When?	Thursday
Who?	Millfield staff
Where?	The Hob (Food Tech Room)
Cost?	£7 per week

KS1 Forest Fun	
What	Children will be able to explore nature freely whilst boosting their confidence, developing their communication skills, improving problem-solving skills and supporting them to understand the importance of the environment and respect for the natural world. They will understand more about the wonders of fauna and flora whilst developing their outdoor survival skills in a fun and engaging way.
How many?	15 children
When?	Thursday
Who?	Millfield Staff
Where?	School grounds
Cost?	£5 per week

Year 3/4 Science	
What	The science club will be an exciting opportunity for the children to work scientifically on a variety of scientific topics, undertaking lots of science investigations to better understand the world around us.
How many?	20 children
When?	Tuesday
Who?	Millfield Staff
Where?	Classroom
Cost?	£5 per week

KS1/2 Bhangra Club

What	Bhangra class is all about having fun, getting active, and dancing to awesome music! You'll learn cool Bhangra moves, work as a team, and get the chance to show off what you've learned in small performances. It's a great way to make new friends, feel confident, and learn a bit about Punjabi culture—all while having a blast!
How many?	10 children
When?	Monday
Who?	Millfield Staff
Where?	Classroom
Cost?	£5 per week

Year 3/4 Craft Club

What	We will be trying different forms of craft that might include making cross stitch decorations or cards, friendship bracelets, making stained glass window decorations using glass pens and crochet or knitting. We might design our own tote bags using fabric pens or even try macramé.
How many?	15 children
When?	Tuesday (starting on 9 th September)
Who?	Millfield Staff
Where?	Classroom
Cost?	£5 per week

Year 5-6 Debate Club

What	Debate club for children is a fun and engaging way to learn how to express their thoughts, listen to others, and build confidence in speaking. They explore different topics, practice forming opinions, and learn how to support their ideas with reasons. It helps develop important skills: critical thinking, respectful communication, and teamwork—all in a friendly, supportive setting.
How many?	20 children
When?	Thursday
Who?	Millfield staff
Where?	Classroom
Cost?	£5 per week

KS1 Sports

What	Football: Football is a team game that involves kicking a ball to score a goal. The objective of the game is to score goals for your team while stopping the opposing team from scoring goals. This sport is suitable for people of all abilities to play. Our clubs are designed for little ones of every age – giving boys and girls a place to experience exciting, active fun.
How many?	20 children
When?	Monday
Who?	Premier Education
Where?	School grounds
Cost?	£5.20 per week

KS2 Sports

What	Athletics: Our fast-paced Athletics sessions help develop some of the most important and fundamental movements a child can learn. For our younger athletes, it's a great introduction to skills like running, jumping and throwing in a setting where everybody can learn and improve. For the older children, we put on a mix of competitive and team-based activities, focusing on our own versions of the most popular events. Often, our coaches will bring our athletics sessions to life by tying them in with an Olympic theme. This not only makes the whole thing that much more exciting but also leads to effortless learning about people and places around the world.
How many?	20 children
When?	Friday
Who?	Premier Education
Where?	School grounds
Cost?	£5.20 per week

BLOCK 2: 26/10/26 – 4/12/26

KS1 Craft Club	
----------------	--

What	We will be trying different forms of craft that might include making cross stitch decorations or cards, friendship bracelets, making stained glass window decorations using glass pens and crochet or knitting. We might design our own tote bags using fabric pens or even try macramé.
How many?	15 children
When?	Tuesday
Who?	Millfield Staff
Where?	Classroom
Cost?	£5 per week

KS1/2 Computing Club: Microsoft	
---------------------------------	--

What	Children will have the opportunity to develop essential digital skills. They will learn how to use a keyboard effectively, improve their typing speed, and gain confidence in creating and formatting Word documents. They will practice writing sentences and captions while also exploring their creativity by making digital pictures. This experience will not only boost their confidence with technology but also foster a strong culture of digital literacy and typing proficiency. Children will learn how to use Microsoft PowerPoint to build clear, well-designed presentations. They'll practise adding text, images, transitions, and layouts while developing confidence with digital tools.
How many?	15 children
When?	Monday
Who?	Millfield staff
Where?	The Hive (computer suite)
Cost?	£5 per week

KS2 Spanish	
-------------	--

What	Come along and join this relaxed club learning Spanish. Learn new words, hold conversations and practise your language skills in an informal way. Ideal for children at all levels of learning to speak Spanish.
How many?	15 children
When?	Thursday
Who?	Millfield staff
Where?	Classroom
Cost?	£5 per week

KS1 Sports

What	Multi-sports: This course is created to develop valuable and transferable movement skills. The skills worked on in this club include agility, balance, co-ordination, spatial awareness, throwing and catching. Whilst these are incredibly important aspects of so many sports, they are rarely trained on their own. The Multi Skills club uses a selection of games, activities and exercises which help work the skills in a fun and sociable way. Every child comes away with improved skills, but is not made to feel like they are working hard to gain them.
How many?	20 children
When?	Monday
Who?	Premier Education
Where?	School grounds
Cost?	£5.20 per week

KS2 Sports

What	Tag Rugby: Tag rugby is simple, straightforward fun which brings all the excitement of traditional rugby, without the usual rough and tumble. This sport is all about catching, throwing and kicking the ball, all whilst dodging players on the other team. It's fast-paced and every member of the team plays an important role – there's never a dull moment! Tag rugby gives you all the speed and excitement of traditional rugby, but without the rough and tumble that would usually come with it. Instead of tackling their opponents to the floor, players simply grab the tag from their side to reclaim the ball. It takes loads of teamwork and communication to win, so be ready to make some new friends. As well as being much safer than contact rugby, this game teaches respect and communication – you'll need to listen out from the ref to know what's going on. No previous rugby experience is needed to get enjoyment from tag rugby, as our coaches will teach your child all the rules. We keep it simple and straightforward so everybody can dive straight into the fun.
How many?	20 children
When?	Friday
Who?	Premier Education
Where?	School grounds
Cost?	£5.20 per week

BLOCK 3: 7/12/26 – 29/1/27

KS2 Cooking

What	This is an exciting opportunity for children to enhance their basic skills in culinary practices through the creation of various delicious recipes. KS1/2 Computing Club: Coding & Photo Editing

What	During the coding sessions, children will use Scratch to build their own interactive animations and mini-games. They'll learn how to create and connect coding blocks, change backgrounds, switch character costumes, add movement, and bring their ideas to life on screen. These sessions help develop problem-solving, creativity, and logical thinking in a playful, hands-on way. In the photo editing sessions, children will use iPads and a simple editing program such as Paint.NET to transform their photos. They'll learn how to crop, resize, adjust colours, add effects, and make fun edits to personalise their images. This gives them a great introduction to digital creativity and visual design

Where?	The Hive (computer suite)
Cost?	£5 per week

KS1 Sports	
What	Dodgeball: Dodgeball is one of the most popular courses we offer and is guaranteed to be great fun for every player! Dodgeball is exciting, fast paced and easy to learn, with loads of great variations to enjoy. If you've never tried it before, now's the perfect time to start. Each child will need to throw, catch, dodge and jump their way through a range of mini-games and drills. Our coaches will make sure that every child will improve their speed, strength and agility, no matter what skills they arrive with. One of the reasons we love dodgeball so much is that it's a truly team-based game.

What	Football: More than just kicking and scoring, our football sessions are designed so that each child will leave having improved a transferable skill. We help children build on their skills and techniques at their own pace through a wide range of activities and exercises. We press the importance of team communication, understanding the rules and respecting both the players and the referee. Even if your child isn't 'football crazy', they'll love these active, varied sessions. And if they do love football, then this is the perfect club to hone their skills.

BLOCK 6: 17/5/27 – 2/7/27

Year 5/6 Performing Arts

What	Lights, camera, action! Our Performing Arts club will delve into the world of theatre and give children the opportunity to work on their 'on stage' skills. Performing arts are full of creativity, imagination and wonder - it teaches us how to communicate to the world through our actions, body language and speech. The children will learn how to create stage presence and understand how to create different atmospheres through their acting. Performing Arts club will be full of fun, drama, acting and most importantly the opportunity to be something or someone different!

What	Nerf Games: As with all our sports, Premier Education Nerf Games sessions are for boys and girls alike. Exhilarating and exciting, our Nerf Games clubs keep children active and engaged all session long, in a safe and secure environment. Nerf games appeal to a wide variety of people because of the versatility of gameplay. Our dedicated Activity Professionals are trained to deliver a variety of games, both as teams and as individuals playing against each other. Nerf games are great for building spatial awareness, coordination and strategy. Team games utilise teamwork and communication, which makes them a great way to make new friends.

All Premier Education clubs can be booked by clicking on this link: [Millfield Clubs](#) and are available to book now.

Look out for the email with booking details for the school led clubs.

Payment for **Millfield** led clubs can be made via bank transfer or directly with the school office. If paying via bank transfer please put your child's surname and the name of the club as the reference.

If your child has any other ideas for a club please ask them to speak to the school council.

Music lessons for guitar, piano and drums will continue to be offered by Danny. Expression of interest forms can be collected from the school office. Once the form is complete it can be handed back into the school office. Parents will be notified when places become available.
