The Gold Awards

The gold awards trip

9 children in year 5 and year 6 went to the gold awards. They introduced Clair Cashmore. There were different schools. Clair Cashmore told us that she has one arm and people didn't like her and made fun of her. She also said she pranked people by putting fake blood on her arm. In high school, she hid her arm in her jumper all the time because she felt like she didn't fit in.

What we did

We had to write if you can be the best at anything, what would you choose. Some people chose: art, dancing, dodge balling, cooking, a vet and footballer. Different children wanted to be different things. We also wrote a sheet about who could help you do this job. We wrote questions to ask Clair Cashmore about her. Some children went up to the front to tell the questions for Clair Cashmore. The question is: 'Will we get the platinum awards? '

Sports Assembly

Give me an S.P.O.R.T.S...

Before the Easter break, there was a big sports assembly and many things occurred. Read on to find out the great school achievements...

To start, we celebrated gymnastics. The competitors tried very well: Alyssa, Darcie, Eunice, Lily, Seth, Sadie, Elise, Lauren, Layla and Caitlin. The 5-6 competitors came 9th, the key steps 2 came 5th and the inclusive came.... 1st! County championships for them. Next up we have cycling. We are now going to the county finals in June- Blanka, Thomas, Gurkaran, Sasha, Alicia and Tymon.

Following up, we had badminton-Lucy, Caitlin, Kian, Alfie, Edward, Taylor, Layla, Antoni, Canjo and Dylan; thanks to their amazing efforts they won!

Now onto rugby (5-6). Rhianna, Evan, Joe, Lucy, Declan, Alyssa, Dylan, Sasha, Jude and Antoni. We won our pool, and went into the finals, we won the 1 of 2 and the other we drew...luckily the other team lost their other match so Millfield won!

And finally, Lucy did a national running race and, despite her amazing efforts, didn't win for Leicester but came 248th! But she got in still!

Poppy had a cheerleading event and the team did very well.

Owen Hart won the spelling bee and Keira got her 50,000 word award. To finish up, these children got a lunch time award, Isabelle, Isaac, Rhianna, Blanka, Darcie, Kian and Abbie.
